

Chief Executive Officer Report

TO: Baylor University Board of Regents
FROM: Linda Livingstone, Chief Executive Officer
DATE: October 7, 2022
RE: Chief Executive Officer Reporting Requirements under Tex. Educ. Code § 51.253(c)

Under the Texas Education Code (TEC), Section 51.253(c), the institution's Chief Executive Officer is required to submit a data report at least once during each fall or spring semester to the institution's governing body and post on the institution's internet website a report concerning the reports received by employees under the TEC, Section 51.252, concerning "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), the attached summary data report¹ (Appendix A) includes all of the required reporting information to the Board of Regents for the 2021-2022 academic year, as of September 22.² The summary data in Appendix A is categorized based on the reporting requirements under TEC, Section 51.253(c).

The summary data report is also posted on the Baylor University website as per the public reporting requirements under TEC, Section 51.253(c) at <https://www.baylor.edu/sb212>

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.³

¹ When identifiable, duplicate reports were consolidated into one case number and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.

² This report was finalized on September 22 and includes report status information as of that date, however the report only includes information about reports received through the fourth quarter, which ended May 31.

³ For example, reports made by students and all other non-employees (including incidents under 3.5(d)(3)) are excluded from Appendix A. Additionally, if a Title IX Coordinator or Deputy Coordinator determines that the type of incident described in a report, as alleged, does not constitute "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, the report is excluded from Appendix A. It is the responsibility of the Title IX Coordinator or Deputy Title IX Coordinator to assess each report received and determine whether it is properly included in this report, and if so, to correctly identify the type of incident. Finally, Baylor University's disclosures under the Clery Act are maintained separately and may be accessed at Baylor's Clery Act Information webpage. <https://www.baylor.edu/risk/index.php?id=958568>
